Dining in Berrima

It's no secret that we are big food lovers here at the Berrima Bakehouse Motel, which means it's also no secret as to why we have introduced a dining guide including brekkie favourites, long lunches in front of open fires and our gate to plate experiences in this new go to dining guide for our guests.

We live in a village that is full of local produce, and our restaurant chefs are committed to delivering the best garden to plate experiences, so we know you are in for something delicious.

For the romantic at heart, we have also included our top picnic spots and where to grab your lunch to enjoy with a view along the Wingecaribee River. Most of our restaurants include a little history on the side, given our location in our beautiful Georgian 1830's, heritage listed village.

Picnic time

Explore the Wingecarribee river with a picnic. Enjoy great food and drink from our village while taking in the beautiful flora and fauna. If it's warm enough, the river is a popular spot for swimming and kayaking. Stay long enough and who knows, you might even spot a platypus? Organise your hamper through, Cupcake co or curate your own from the eateries and shops in the village.

Cocktail Hour

Berrima village is the perfect setting to enjoy a delicious cocktail or cool climate wine. With many places on offer, our faves are Eschalot Restaurant, Citizen Kanebridge, and we can't go past a glass of sparkling at our historic Surveyor General Inn or one of our cellar doors, Peppergreen Estate and Bendooley Estate. Most within walking distance from our motel.
